MEMBERSHIP SERVICES

Foreword

The Boston Real Estate Board is one of the oldest and most active Real Estate Boards in America. Not only does it play an influential part in matters affecting real estate in Boston and vicinity, but its activities are Statewide and National in scope through its membership in the Massachusetts Real Estate Association and the National Association of Real Estate Boards.

Owners, trustees, managers, mortgagees, lessees, builders, agents, attorneys and bankers are listed in the roster of members which also includes most real estate brokers of prominence in Metropolitan Boston and many from other parts of the State. The membership of owners and tenants representing a large part of the real estate valuation of the City of Boston is evidence of their endorsement of the work of the Board.

The Board aims to strengthen the profession of real estate brokerage by promoting high standards of business ethics and by encouraging good fellowship among members through cooperative work on common problems. Unqualifiedly pledged to the protection of the community and the advancement of its interests, the Boston Real Estate Board speaks and acts for real estate in Boston.

Divisions of the Board

Included in the Board are four divisional organizations representing definite lines of business interest. Members of the Board are eligible for membership in the Divisions.

The Brokers Division is composed of members who are regularly engaged in business as real estate brokers. The Division holds periodic meetings and acts upon matters relating directly to the brokerage business. It may also recommend action by the Board to improve the standards and advance the interests of real estate brokers.

The Building Owners and Managers Association is made up of members who are owners or who are otherwise interested in the management of real estate. Also such persons in their offices or employ as may be designated to attend meetings. The Association carries on an active program of benefit to owners and building managers. It is affiliated with the National Association of Building Owners and Managers.

The Apartment House Division comprises members who are interested in the ownership or management of apartment house property. The Division aids members in attaining the utmost in management efficiency by collecting information and operating data and by the cooperative exchange of ideas and experiences. Stated meetings are held for the discussion of management problems.

The Newton Board consists of members particularly interested in real estate in the Newtons and vicinity. The Board carries on an active program dealing with matters of purely local interest.

Arbitration

Any differences arising between members or between a member and nonmember may be brought before the Arbitration Committee for settlement. Hearings are private and records are kept of all proceedings.

Appraisals

A competent Appraisal Committee is available to examine and appraise the value of real property. The charge for this service is moderate and is based on the value of the real estate. Certificates of Valuation are given for each Board appraisal.

Legislation and Taxation

The Board maintains a very active policy on legislation. All bills introduced in the State Legislature affecting real estate are carefully studied by Board Counsel and by the combined Committees on Legislation and Taxation. Important bills are favored or opposed according to their merits.

Municipal Affairs

The ever-changing panorama of civic affairs requires constant watchfullness by a committee competent to evaluate local conditions in terms of efficient and constructive government. Through its Committee on Municipal Affairs the Board keeps currently abreast of developments affecting real property in Greater Boston.

The Book of Assessed Values

Published annually in August, the "Book of Assessed Values in Boston" is a 650 page volume giving the address, the owner and the assessed valuation on all property in the city proper, Back Bay, The Fenway district of Roxbury, the warehouse district of South Boston and parts of Brighton and Brookline. The book is distributed to Board members without charge.

Monthly Magazine

The Board issues THE REALTOR, a monthly magazine, containing up-tothe-minute accounts of Board activities as well as reports on national real estate events of a newsworthy character.

Membership Certificates and Cards

Each member is presented annually with an attractive membership certificate suitable for office display. In addition, membership cards are provided for purposes of identification.

Brokers Commission Rates

The Board's schedule of commissions is the recognized scale of charges for services rendered by real estate brokers and agents in Boston and suburbs. The Board rates of commissions are determined by the Directors upon recommendations made by the Commissions Committee which is composed of owners, operators and brokers.

MEMBERSHIP RULES AND REGULATIONS

Whereas, one of the purposes of the Boston Real Estate Board is the promotion of standards of conduct among its members which shall protect the public dealing in real estate from unfair and fraudulent practices and maintain among the members of the Board in their dealings with each other such relations as shall benefit the whole body; and

Whereas, departures from such standards react upon the good name of the Board, curtail its influence, and injure all its members; and

Whereas, the by-laws of the Board provide that the Directors "shall adopt such rules and regulations as they may deem expedient for admission to and continuance of membership in the Board, and for the good order, comfort, and convenience of the members, and prescribe and enforce penalties for violation thereof. They may suspend or expel from membership in the Board any member guilty of any act which may be determined by them to be detrimental to the interest or welfare of the Board:" It is therefore

Resolved: That the Directors hereby adopt the following as

Rules and Regulations.

- I. Every member shall register with the Executive Vice-President an address, and subsequent changes thereof, where notices may be served. Notices to a member required by these rules and regulations shall be sufficient if delivered to him in person or if sent by registered mail to such address last registered or to his address appearing on the records of the Board if he shall have failed to register.
- II. A standing committee of five members, to be known as the Committee on Discipline, shall be constituted as follows: a member who shall be chairman, appointed by the President of the Board from the general membership of the Board; the chairman of the Arbitration Committee; a member of the Arbitration Committee selected by the chairman of the Arbitration Committee; the chairman of the Brokers Division, and the chairman of the Building Owners and Managers Association. In case any member of the Committee on Discipline is for any reason unable to serve, the President of the Board shall appoint from the general membership of the Board, the Arbitration Committee, the Brokers Division, or the Building Owners and Managers Association, according to the body represented by the member unable to serve, a substitute to act in that member's stead. Action of the Committee on Discipline shall be determined by vote of a majority of the committee, consisting of the members and substitutes then acting.
- III. The Code of Ethics of the National Association of Real Estate Boards is a part of these Rules and Regulations.
- IV. A member who shall be adjudged by a two-thirds vote of all the Directors to be guilty of:
 - (1) acting dishonestly or fraudulently in relation to a client, customer, beneficiary, or another member;

- (2) advertising in such manner as to mislead or deceive;
- (3) violating any provision of the Code of Ethics applicable to him, heretofore or hereafter adopted;
- (4) conduct tending to foment discord in the Board or to discredit the Board before the public or to be detrimental to the interest or welfare of the Board; or
- (5) violating any by-law, rule or regulation of the Board; shall be suspended or expelled from membership in the Board as the Directors shall determine that the merits of the case and the interest or welfare of the Board require.

V. Any complaint against a member shall be in writing and shall contain a statement in reasonable detail as to the basis thereof. If any such complaint is made to the Board charging a member with any of the offenses specified in RULE IV, it shall be referred forthwith to the Chairman of the Arbitration Committee who shall thereupon appoint a sub-committee consisting of three members of the Arbitration Committee. Such sub-committee shall make a preliminary inquiry into the sources and grounds of the accusation and promptly report the facts to the Chairman of the Arbitration Committee who shall, upon receipt of such report, call a meeting of the Arbitration Committee. If, in the opinion of a majority of the Arbitration Committee, the facts probably warrant further action by the Board, the Arbitration Committee shall file with the Executive Vice-President of the Board and with the Chairman of the Committee on Discipline a formal complaint against the accused member, specifying the charge or charges in reasonable detail.

The Executive Vice-President shall give notice of the complaint with a copy of the charges to the accused member, who shall have ten days from the date of giving or mailing the notice in which to answer the charges, or such further time as the Committee on Discipline in its discretion may deem proper. The member's answer shall be in writing signed by him and filed with the Executive Vice-President. Upon the answer being filed, or if the accused member shall refuse or neglect to make answer as above required, the Committee on Discipline shall proceed with reasonable dispatch to consider the charges. The accused member shall be notified of a meeting of the committee at which he will be entitled personally to attend to present such testimony, defense or explanation as he may deem proper, and to examine all the witnesses produced before the committee.

After hearing the witnesses, and the accused member if he desires to be heard, the Committee on Discipline shall make a written report to the Directors containing its findings and its recommendations.

The Directors shall consider the report of the Committee on Discipline and such other evidence as the Directors consider necessary for a just decision. The accused member shall be notified of a meeting of the Directors at which the report will be presented and he shall be invited to attend the meeting and be heard in person. At the meetings of the Pirectors at which the report is considered, a member of the Committee on Discipline designated by that committee shall be present to give such further information as the Directors require. At the meeting of the Directors held to hear the report or at some later meeting within thirty days thereafter the Directors shall determine what action, if any, shall be taken upon the complaint and charges and upon the report, and what penalty, if any, shall be imposed. They may refer the complaint back to the Committee on Discipline for further report.

Until final action by the directors on any complaint against a member, such member shall not be subject to any disciplinary action because of such complaint.

No member of the Board shall reveal the name of a member against whom a complaint is filed or the facts of such complaint except to the extent necessary for the performance of duties imposed by these Rules and Regulations.

No member shall act on such sub-committee or committee or on the Board of Directors in the investigation or hearing of a case involving himself or a partner or employee.

- VI. The Directors may by a two-thirds vote of the Directors present require that a member of the Board shall submit to the Directors or to any standing or special committee, for examination, such portion of his books and papers as are material and relevant to any complaint under investigation. Any member who shall refuse or neglect to comply with such requirement or shall wilfully destroy such required evidence, or who, being duly notified to appear, shall refuse or neglect to appear before the Directors or any standing or special committee as a witness, or so appearing shall refuse to testify, may be adjudged guilty of an act detrimental to the interest or welfare of the Board and suspended or expelled from membership in the Board by a two-thirds vote of all the Directors, and the method of procedure prescribed in Rule V shall not apply.
- VII. A member who shall be adjudged by the Directors to be in default in the punctual payment when due of any obligations to the Board other than admission or annual membership fees, may be suspended or expelled from membership in the Board, as the Directors shall determine, by a two-thirds vote of the Directors present, and the method of procedure prescribed in Rule V shall not apply.
- VIII. No member shall be allowed to be represented by professional counsel in any investigation or hearing before the Directors or any standing or special committee or sub-committee.
- IX. When a member is expelled, all his rights and privileges as a member of the Board and in and to the property of the Board shall cease, and when a member is suspended he shall be deprived of them during the period of his suspension, whether the member is a stockholder or not; provided, however, his expulsion or suspension shall not deprive him of any preferred stock held by him. The expulsion or suspension shall be announced publicly to the members of the Board in the Bulletin.
- X. These Rules and Regulations may be added to, amended or repealed by the Directors. Notice of all proposed amendments shall be sent to each director and officer of the Board at least one week before acted upon. Nothing contained in them shall be taken to abridge the authority of the Directors to adopt such other rules and regulations as they may deem expedient for admission to and continuance of membership in the Board and for the good order, comfort and convenience of the members and to prescribe and enforce penalties for violations thereof; nor shall anything herein be taken to abridge the authority of the directors to suspend or expel from membership in the Board any member guilty of any act which may be determined by them to be detrimental to the interest or welfare of the Board, or their authority to take such action as they shall determine the interest or welfare of the Board requires. Except so far only as they are inconsistent herewith, no existing rules, regulations and standing orders are repealed hereby.

Addenda

Each member enrolled as "Active" (Classes A, B or C) receives one share of common stock of the corporation, said share being held in his name at the corporation office.

Annual membership dues are payable in full on the first day of July of each year. Members may pay dues in semi-annual or quarterly instalments on the first day of July, October, January and April. No application for membership shall be approved unless accompanied by the payment of one year's dues in advance.

Every member in good standing shall be entitled to receive the Book of Assessed Values of Real Estate in Boston, subject to the terms under which it is issued to him, for the current year when published, provided he shall have paid to the Board at least \$12.50 on account of his membership fee for the fiscal year beginning the July 1st previous.

A member whose membership dues remain unpaid two months after having become payable shall thereupon become suspended and, if the same remains unpaid at the end of the third month, shall be dropped from membership in the Board; but the Directors may, by affirmative action and for satisfactory cause shown, reinstate such member upon payment of unpaid dues.

To be eligible for Active membership, including the right to use the designation "Realtor", persons "directly engaged in the real estate business" shall have been in such business for at least one year.

No applicant for membership which includes the right to use the designation "Realtor" shall be elected from territory within the jurisdiction of a local real estate board affiliated with the National Association of Real Estate Boards unless the applicant is an active member of the Board having jurisdiction therein.

That a standing committee shall be and hereby is established for the purpose of making appraisals of real estate, to be known as the Appraisal Committee, and that certificates of appraisals made by the committee under the following rules shall be issued by the Board over its seal, signed by the President and attested by the Executive Vice-President.

I. Committee

The committee shall consist of not less than ten members of the Board to be appointed annually by the Board of Directors to serve during the current fiscal year of the Board and until their successors have been appointed. The Directors shall appoint the Chairman of the committee and a Vice-Chairman to act when the Chairman is unable to do so.

When acting as a full committee seven members shall constitute a quorum. The Directors may fill any vacancies in the committee or in the offices of Chairman and Vice-Chairman for unexpired terms and may remove any member of the committee by a two-thirds vote of the Directors present at the meeting when such action is taken.

At any time when requested by the Chairman of the committee the President may designate one or more especially qualified members of the Board to serve on the committee in appraising any particular estate. While such designated members are so engaged they shall be deemed to be members of the committee for the purpose of such appraisal only and they shall be subject to the rules and regulations governing the committee. They shall subscribe to a declaration similar in form to that required of regular members of the committee.

II. Declaration

Before entering upon the duties of his office each member of the committee shall subscribe to a written declaration in substantially the following form:

III. Restrictions

Appraisals made by the committee shall be treated as confidential.

No member of the committee shall participate in any appraisal of property in which he is an interested party as owner, agent, broker, prospective buyer or in any other way.

Each appraiser shall state his disinterestedness over his signature on the report of each appraisal.

Members of the committee shall be under no obligation to testify in support of their opinions in reference to any appraisal made by the committee.

If an appraiser shall elect to testify as to his opinion as an expert, he shall do so as an individual and not as a member of the committee.

IV. Basis of Appraisal

Members of the committee making an appraisal shall determine the fair cash value of the property under the conditions of a buyer being desirous of buying the property, ready to purchase and able to pay cash but under no pressure to purchase and an owner being desirous of selling and ready to sell but under no compulsion to do so.

V. Procedure

Each application for an appraisal shall be made on a blank to be provided for the purpose or in other form satisfactory to the committee and shall be filed with the Executive Vice-President of the Board, who, with the approval of the President, shall promptly refer the matter to the Chairman of the committee. An application for an appraisal may be declined at the discretion of the President of the Board.

The Chairman shall promptly appoint a sub-committee of not less than three members whom he deems qualified to act, of whom he may be one, and shall name the Chairman thereof who shall forthwith call a meeting of the sub-committee to make the appraisal and shall be responsible for its prompt action.

All of the members of the sub-committee shall personally examine the property to be appraised and shall promptly complete and sign a report containing their estimates of the total value of the property, giving the value of the land and buildings together or separately at the discretion of the sub-committee, and including full reference to such data as they may have considered in reaching their conclusions.

If the estimates of the appraisers vary, an effort to reconcile them shall be made with the object of reaching, if possible, a unanimous decision as to value.

When the members of the sub-committee have concluded the appraisal, if their opinion is unanimous, the Chairman thereof shall file the report with the Executive Vice-President of the Board, stating the total value of the estate as a whole; but if the opinion of the sub-committee is not unanimous, majority and minority reports shall be filed. All detailed individual reports of the appraisers and all other papers relating to the appraisal shall be filed with the report of the sub-committee.

All reports and papers shall be placed in the files of the Board, to be open for inspection only by the President, the Executive Vice-President, the appraisers and the committee.

Upon the receipt of the report of the sub-committee, if unanimous, a certificate of the appraisal, which may be accompanied by a letter containing such further information as the sub-committee thinks desirable, shall be issued by the Board and forwarded to the applicant for the appraisal, together with a bill for the appraisal fee.

If the report is not unanimous, it shall be referred to the full committee for disposal.

VI. Charges

The charges to be made by the Board for appraisals shall be:

On values up to \$100,000

\$3. per thousand dollars.

On next \$300,000.

\$2. per thousand dollars.

On excess over \$400,000.

\$1. per thousand dollars.

Minimum fee \$75

In valuing undivided interests the charge for appraisal shall be based on the value of the entire property of which the undivided interest forms a part.

For appraising property located outside the limits of Boston and its suburbs, as defined by the Boston Real Estate Board, for appraising lease-holds or for other special appraisal service, special rates shall be charged.

When appraising property on which a certificate of value is already outstanding, the procedure and charge shall be the same as herein prescribed for making an original appraisal.

VII. Distribution of Fees

Appraisal fees, upon receipt and after deducting expenses authorized by the President or Treasurer, shall be apportioned as follows:

Fees of one hundred dollars (\$100) or less shall be divided twenty per cent (20%) to the Board and eighty per cent (80%) to be shared equally among the members of the sub-committee making the appraisal.

Fees over one hundred dollars (\$100) shall be divided forty per cent (40%) to the Board and sixty per cent (60%) to be shared equally among the members of the sub-committee making the appraisal.

Any member of the Board who procures and submits an application for an appraisal of property in which he has no interest of record shall be éntitled to one-half of the share of the fee which is apportioned to the Board.

Conditions of the Appraisal

Unless otherwise stated, the appraisal is subject to the following conditions:

- 1. Information as to the premises, restrictions, physical and income features of the property appraised has been submitted by the purchaser of the appraisal, and is assumed by this committee to be correct. However, no responsibility is assumed by the Boston Real Estate Board or by the Appraisal Committee thereof, as to the correctness of such information.
- 2. It is assumed that the description of the premises submitted by the applicant is correct and that the property is subject only to such restrictions, easements and encumbrances as have been disclosed by the applicant, but no investigation or survey has been made of the property.
- 3. The appraisal represents the opinion of the committee under the conditions of a buyer being desirous of buying the property, ready to purchase and able to pay cash but under no pressure to purchase and an owner being desirous of selling and ready to sell but under no compulsion to do so.
- 4. The appraisal is as of the date of the certificate unless otherwise stated.
- 5. The appraisal covers the premises described only and shall not be construed as applicable to any other property however similar the same may be.
- 6. The attesting signatures of the officers of the Board certify only as to the authenticity of the certificate.
- 7. The employment of the Appraisal Committee is fulfilled by the Boston Real Estate Board and its members upon the delivery by it of the certificate duly executed.

ARBITRATION COMMITTEE RULES

Rule I. The Arbitration Committee shall consist of eleven members of the Board, of whom not exceeding five may be Directors, to be chosen by the President as soon after the annual meeting as possible. The Treasurer of the Board shall be, ex-officio, a member of the Committee. The Committee shall hold office until the election of their successors, and have power to fill vacancies in their number. Three members of the Committee shall constitute a quorum for the transaction of business.

Rule II. The members of the Arbitration Committee shall organize as soon as practicable after their election, by the choice of a chairman from their own number. The Treasurer shall act as Clerk of the Committee and Custodian of its records.

Rule III. Before entering upon the duties of their office, the members of the Arbitration Committee shall take or subscribe to the following oath:

"I do swear that I will faithfully and fairly hear and examine the matters in controversy which may come before me during my tenure in office, and make a just award therein, according to the best of my understanding. So help me God."

Rule IV. All persons who may desire the services of the Arbitration Committee shall file with the Treasurer an agreement in writing, signed and attested, to submit their case to the Committee and to be bound by its recommendation. Parties may bring witnesses before the Committee but not counsel.

Rule V. The Chairman shall appoint three or more of the Committee to act upon any case submitted, and the recommendation of the majority of the Committee sitting upon any case shall be final, excepting that any person against whom a recommendation may be rendered shall have the right of appeal to the full Committee. In cases of appeal to the full committee seven members shall constitute a quorum. The Committee, or any Sub-Committee thereof, shall have power to adjourn the hearing of any case from time to time as circumstances may require. In all meetings of the Committee full notes shall be made by the stenographers.

Rule VI. The Committee, or Sub-Committee, shall decide whether a hearing in any case submitted is expedient or within its powers, and shall give written notice through its Clerk to applicants for arbitration, of time and place appointed for the hearing of their case.

Rule VII. The proceedings of the Arbitration Committee shall be recorded in a book to be kept for that purpose, in which shall be entered a summary of each controversy submitted for the recommendation of the Committee, the award made thereon and the grounds for such award. Said book shall be the property of the Board and subject to the inspection of its members on application to the Treasurer.

Rule VIII. Each member of the Arbitration Committee who shall be present at the hearing of any case shall be entitled to a fee of five dollars per diem of service, to be paid by the party against whom the recommendation shall be rendered, except in such cases as the Committee, at their discretion, shall otherwise order.

Rule IX. Any member of the Board who shall refuse to submit to arbitration, as hereinbefore provided, any dispute which may arise between him and another member, or between himself and a non-member willing to submit the matter to the Arbitration Committee, and shall resort to a court of law, except with consent of such Committee, shall be liable to be deprived of his membership by a majority vote of the whole Board of Directors.

CODE OF ETHICS OF THE BROKERS DIVISION

OF THE

BOSTON REAL ESTATE BOARD

DEFINITION OF TERMS AS USED HEREIN

AGENT One who is employed to manage real estate.

Broker One who is regularly engaged in business as a negotiator of

transactions in real estate.

CLIENT One who employs a broker.

CUSTOMER One who deals with, but does not employ, a broker.

OPERATOR One who is engaged in the business of buying and selling real

estate for his own account.

PART ONE

RELATIONS OF BROKERS WITH THEIR CLIENTS AND CUSTOMERS

I. Service

- 1. A client is entitled to the most diligent effort in his interest and the fullest information and best advice which his broker can give.
- 2. A customer is entitled to careful consideration of his requirements, reliable information and such helpful suggestions as a broker may properly offer.
- 3. A broker should promptly submit to his client all reasonable offers, from whatever source received.
- 4. A broker should read the legal papers which pass through his hands and should offer suggestions which seem advisable to make them conform to agreements which have been reached without, however, assuming responsibility for their sufficiency.
- 5. A broker should advise a purchaser to have the title to property examined by a competent conveyancer.
- 6. A broker who has negotiated a sale should offer to prepare a statement of adjustments for approval by all parties concerned before the time for passing title.
- 7. A broker, when asked to appraise or give advice on real estate, should not make a hasty or ill considered reply, but should either decline to act or take time to acquaint himself with the matter thoroughly before rendering a report or opinion; and should make a fair professional charge for such a service.

II. Employment

- 1. The listing of property with one broker as sole representative of the client is strongly recommended because it establishes a more professional relation between the client and his broker, entitles the client to the fullest advantage of his broker's knowledge, advice and service, places responsibility for results and prevents complications with other brokers. Efficiency of service is assured by co-operation between brokers as hereinafter set forth.
- 2. A client should make clear to a broker whether or not he is employed as sole broker.
- 3. A broker should establish clearly who is his client and should always keep in mind the relations of broker to client and of broker to customer.

4. A broker who is employed to negotiate in the interest of a buyer or lessee should disclose that fact to the seller or lessor; and the employer, being the client, should agree to pay the broker's commission.

III. Qualification

- Acceptance of a listing as sole broker should be an assurance to the client of good facilities for accomplishing desired results and of diligent effort toward that end.
- 2. A broker should not list property as sole broker when not qualified and equipped to render efficient service, but should refer the client to a broker who can render such service.
- 3. A broker should inspect property listed by him so that he may advise his client intelligently and avoid misrepresentation to customers.

IV. Signs

- 1. Displaying the signs of more than one broker on the premises cheapens the property and may lead to complications. Displaying the sign of only one broker is recommended.
- 2. A broker should not display a sign on property without his client's consent.
- 3. A broker's sign displayed alone on the premises should denote sole authority to represent his client for the purpose indicated by the sign (unless the client is a recognized operator) and should be so understood by the client.

V. Compensation

- 1. Clients should respect the established Schedule of Brokers' Commissions.
- 2. A broker should receive his commission from his client and should not accept compensation from any other party to the transaction without his client's knowledge and consent.
- 3. Brokers should not be required to share their commissions with any persons other than recognized brokers who are not acting as principals.

VI. Protection

- 1. A client who has placed his property solely in the hands of one broker for a specific purpose should refer to him all inquiries relating thereto.
- 2. A client should take care that information which he supplies to his broker is correct and complete.
- 3. A customer dealing with a broker regarding certain premises should not, while the matter is pending, enter into similar dealings with another broker regarding those premises.
- 4. Clients and customers should not misuse information received from brokers.
- 5. A broker should not definitely offer property without authority to do so.
- 6. A broker should not buy from his client property placed in his hands for sale, nor sell his own property to a client who has engaged him to purchase, without the client's knowledge and consent; and in such cases the broker should not charge a commission.

VII. Arbitration

A disagreement which the parties themselves are unable to settle should be submitted to the Arbitration Committee of the Boston Real Estate Board for decision. Litigation should be avoided.

PART TWO

RELATIONS BETWEEN BROKERS

I. Co-operation

- 1. A broker should always be ready to deal fairly and frankly with another recognized broker in a mutual endeavor to serve the respective interests of their clients and customers.
- 2. A broker should not express unwillingness to deal through another broker when requested to do so by a client or customer, nor should he solicit, directly or indirectly, any business of a client or customer which is solely in the hands of another broker.
- 3. A broker dealing through another broker should not, without the latter's consent, approach that broker's client or customer in regard to the pending transaction.
- 4. A broker should give to an offer received through another broker the same treatment and consideration as if it had been obtained by himself.

II. Information

- 1. A broker should, on request by another broker and when consistent with his client's interest, give accurate information in regard to a specified property listed solely with him and afford opportunity to show the same.
- 2. A broker accepting information from another broker should make only such use thereof and quote only such terms as are authorized, and in giving such information to a third party should endeavor to safeguard the rights of the broker who gave the information.
- 3. A broker volunteering information about property which is not in his hands, to another broker, should so state and should not expect that broker necessarily to deal through him regarding that property, unless it is so agreed.
- 4. A broker dealing through another broker should not disclose his customer's name until he has obtained a proposition to submit, unless requested to do so.

III. Listing

- 1. A broker should carefully list property received through another broker, recording that broker's name and the date.
- 2. A broker, when asked to list premises which have been solely in the hands of another broker, should treat the listing as coming through that broker, unless the client, of his own volition, is terminating that broker's authority to represent him or, in special cases, arranges with both brokers that either may represent him.

IV. Signs

- 1. Brokers should encourage the practice of having the sign of only one broker displayed on the premises.
- 2. A broker should not disregard another broker's sign but, for the purpose indicated by the sign, should deal through that broker if he has sole authority to represent his client.
- 3. A broker usually should not display his sign alone on the premises unless he has sole authority to represent his client for the purpose indicated by the sign.
- 4. If a broker's sign is displayed on the premises of a recognized operator other brokers may go directly to that operator.

- 5. If a broker's sign is displayed with that of an owner or lessee other brokers may go directly to that owner or lessee.
- 6. In special cases the display of the signs of more than one broker may be authorized, if mutually agreed to by the brokers involved, in which case other brokers may go to either of them.

V. Commissions

- 1. Brokers should maintain the established Schedule of Brokers' Commissions.
- 2. Brokers who work together on a transaction should usually share the commission, when received, in halves. Brokers negotiating an exchange of properties, however, should not pool and divide their commissions without the consent of their respective clients.
- 3. A broker receiving compensation from a buyer or lessee should not claim a share of the commission paid by the seller or lessor.
- 4. A broker dealing through an agent who is also a recognized broker should accept a half commission, but when dealing through an agent who is not a recognized broker is entitled to a full commission.
- 5. The mention of a prospect's name should not be held to establish a claim to a share of a commission. Effective participation in the work of conducting and closing the negotiation should be the grounds for sharing the commission, except in a case where by agreement one broker assumes charge of the entire negotiation.
- 6. A broker is not obligated to another broker for bringing him a customer after the consummation of the first transaction resulting from that introduction.
- 7. Brokers should refuse to share commissions with any persons other than recognized brokers.

VI. Interference

A broker should not, without good and sufficient cause, speak disparagingly of another broker, nor attempt to interfere with another broker's deal except as may occur through the offering of more attractive propositions in fair competition therewith.

VII. Conciliation

A disagreement between brokers regarding the ethics of a transaction should be submitted for advice as to its fair settlement, by requesting the Chairman of the Brokers Division to appoint two or more members of the Committee on Ethics to give such advice, before resorting to arbitration. Litigation should be avoided.

"Realtors"

are business men engaged in the service of real estate who give every participant in a real estate transaction a square deal;—they profit by sheer force of merit.

"Realtors"

do business under one of the strictest codes of ethics in operation anywhere in the world. Only real estate men of character may become Realtors.

The term "Realtor"

or the Realtor's emblem, can be used legally in Boston only by "Active" Members of the Boston Real Estate Board. Any other use is improper.

RULES

Schedules B, C, and D. In cities and towns outside of Boston and its suburbs, Schedules B, C and D shall apply unless agreement has been made to adopt the rate of commission established by a local Real Estate Board which is a member of the Masschusetts Real Estate Association.

Taxes Payable by Lessee. Taxes on leased premises to be paid by Lessee shall be treated as part of the rent on which broker's commission is chargeable, using the taxes for the current year when ascertainable, otherwise those for the previous year, as a basis. In case of leased premises not previously assessed, the taxes may be estimated or the assessment thereof awaited.

Long Term Lease. On a lease for a term of more than 21 years, the commission shall be computed on the first 21 years of the term only.

Percentage Lease. The commission on a lease containing a percentage rental clause shall be computed on an estimate of the rent which will be payable under the lease, as agreed to by lessor and broker or, if they do not so agree, on the rental value of the premises for the term of the lease determined by appraisal with expenses therefor borne equally.

Extension Option in Lease. When an option to extend a lease, as provided therein, is exercised the broker who negotiated the lease is entitled to receive from the original lessor a commission on such extension; when such option is not exercised but the lessee remains as a tenant of the premises or a portion thereof the broker is entitled to receive from the original lessor a commission on such continued tenancy during the term stated in the option; but the total commissions on the lease and on such extensions or such continued tenancy shall not exceed the amount chargeable for both considered as one term.

Cancellation Option in Lease. When the lessee has the option of cancelling a lease before the end of the stated term thereof the commission shall be chargeable in the same manner as if the lease ran to the cancellation date with an option to extend the lease to the end of the stated term. An option to cancel reserved by the lessor shall not affect the broker's commission.

Purchase Option in Lease. In case of a lease containing an option to purchase, the broker is entitled in any event to a commission, as herein provided, for negotiating the lease. If the option to purchase is exercised, the broker is then entitled to receive from the original lessor an additional commission, if any be necessary, to make the total commissions equal a commission on the sale plus a commission on the lease up to the time of the transfer of title.

Renewal of Lease. When a broker is employed to renew a lease, he is entitled to a full commission if the lease is renewed with an increase of rent, or to a half commission if renewed without increase of rent.

Payment for Lease, Good Will, Merchandise, Fixtures or Other Assets or for Capital Stock of Corporations. The broker is entitled to a commission of 5% of any consideration or price paid therefor and also to the regular commission on any lease thus disposed of; liabilities assumed in excess of actual assets being treated as cash payment.

Payment for Option. In case of an option not availed of, the broker is entitled to receive one-half of the amount paid for the option, or one-half of a regular commission on the proposed transaction, whichever is the lesser.

AUCTIONEERS FEES

(Unless otherwise agreed)

The scheduled commission rates on sales, based on the total price (including the aggregate sum secured by all mortgages to which the sale is subject), shall apply to all auction sales, subject to the following limitations:

- 1. Sales-room fees and such other expenses as are authorized by the seller shall be paid by the seller.
- 2. The auctioneer shall be paid reasonable compensation for services actually rendered by him if real estate advertised to be sold is sold or withdrawn from sale, previous to the advertised time of sale, or in case of post-ponement, adjournment or continuation of the sale.
- 3. In a mortgage foreclosure sale the auctioneer's fee as provided above shall not exceed one-half of the amount by which the total price exceeds the aggregate sum secured by all mortgages held by the seller plus the expenses of the sale other than the auctioneer's fee.
- 4. The minimum fee for a mortgage foreclosure sale, however, shall be 1/10 of 1% of the total price, but not less than \$15.00 nor more than \$100.00.

ADVERTISING

The cost of advertising specific premises for sale or to let is an expense which the seller or lessor should bear, to an amount authorized by him. A broker should, however, bear the expense of his portable signs and his general advertising.

WHO ARE REALTORS?

REALTORS are "Active" members of a local Real Estate Board which is affiliated with the National Association of Real Estate Boards. REALTORS are licensed to use this designation by the National Association of Real Estate Boards, whose exclusive right to the term has been upheld by the courts.

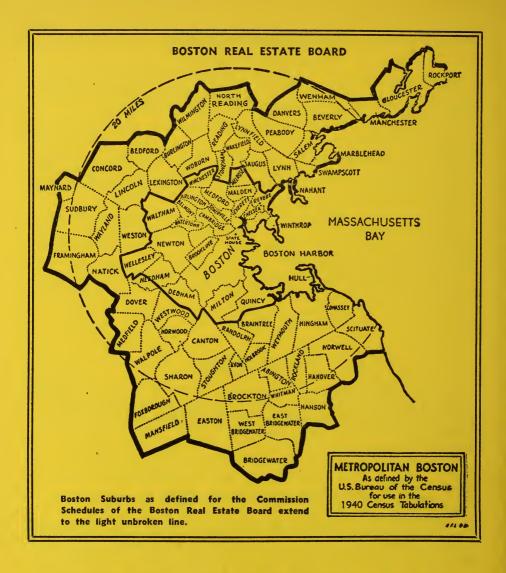

When you deal with a REALTOR you obtain the services of an accepted member of a local Real Estate Board. This in itself gives assurance.

If there should be grounds for complaint against a REALTOR you can appeal to the Board of which he is a member. This is a protection.

The standards of the National Association and of the local Real Estate Board call for integrity and efficiency on the part of their members. This means dependable service.

ACT OF INCORPORATION. Chapter 153: Acts of 1889

Section 1. Francis V. Balch, Henry M. Whitney, Robert S. Minot, Grenville T. W. Braman, Eben D. Jordan, George Wheatland, Jr., John Mason Little and Frederic H. Viaux, their associates and successors, are hereby made a corporation by the name of REAL ESTATE EXCHANGE AND AUCTION BOARD, with all the powers, rights and privileges and subject to all the duties, restrictions and liabilities set forth in all general laws which now are or hereafter may be in force relating to such corporations.

Section 2. The capital stock of said corporation shall be ten thousand dollars, and shall be divided into shares of one hundred dollars each; said capital stock may be increased from time to time in the manner provided by law to any amount not exceeding three hundred thousand dollars; and it shall not commence business until its entire original capital is actually paid in, in cash. The office and principal place of business of said corporation shall be in the city of Boston, and it may hold real estate suitable for the transaction of its business to the amount of three hundred thousand dollars.

(For amendment of this Section 2, made in January, 1927, see below.)

Section 3. The said corporation may establish and maintain a central room or station in said Boston, for the sale of real estate and securities at auction; and lease stands to auctioneers, and furnish a general meeting room for real estate owners and others; and prepare and collect maps, plans, statistics and other records relating to real estate and subjects connected therewith; and do and perform such other matters as relate to real estate interests and dealings therein.

Section 4. Any court of law or equity and any court of probate and insolvency of this Commonwealth may, by decree or otherwise, direct any or all sales of real estate or personal property ordered to be sold by such court. to be held at the salesroom of such corporation.

Section 5. This act shall take effect upon its passage. (Approved March 22, 1889.)

The amendment of Section 2, made in January, 1927, is as follows:

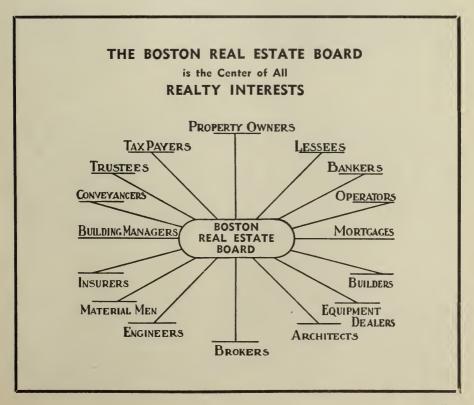

The now outstanding 100 shares of this corporation of the par value of \$100 each shall be preferred shares, and the capital stock of this corporation shall consist of said 100 preferred shares and also 1,000 common shares without par value.

Any distribution of income or capital of the corporation shall be divided ratably among the preferred shares, and no assets of the corporation shall ever be received by the holders of common shares; so that the rights of the holders of the \$100 par value shares now outstanding (hereby altered into preferred shares) shall not be in any way impaired or diminished either as to income or as to capital by the issue of said common shares.

Each share, whether preferred or common, shall entitle the holder to one vote at meetings of the stockholders, except that no common share shall be voted, or be counted in determining a quorum at any meeting of the stockholders, unless its holder is at the time an Active member of the Boston Real Estate Board.

Common shares shall be issued for \$1 each, and only to Active members of the Boston Real Estate Board, and no more than one to any one person, and shall be non-transferable except as below stated; and when the holder of any common share ceases to be an Active member, he or his executors or administrators shall transfer his share to this corporation, which shall pay him or them \$1 therefor, and may subsequently transfer the share for \$1 to a new Active member of said Board, instead of issuing to him a new share.

The By-Laws of this Corporation are hereby amended so far, if at all, as may be necessary to make effective the foregoing.

The National Association of Real Estate Boards comprises over 900 affiliated Real Estate Boards in the United States and Canada with a gross membership exceeding 37,472. Active or broker members of local Boards holding membership in the National Association are granted the use of the copyright title "REALTOR".

The National Association of Real Estate Boards fosters a strict Code of Ethics for the real estate profession and through its numerous committees promotes a vigorous annual program of activities in behalf of its member Boards. Especially noteworthy is the highly commendable work being done by the Realtors Washington Committee on matters pertaining to rent control and other governmental regulations.

The following Divisions, each having its own officers and program comprise the divisional organization of the National Association of Real Estate Boards:

AMERICAN INSTITUTE OF REAL ESTATE APPRAISERS
NATIONAL INSTITUTE OF REAL ESTATE BROKERS
INSTITUTE OF REAL ESTATE MANAGEMENT
NATIONAL ASSOCIATION OF HOME BUILDERS
SOCIETY OF INDUSTRIAL REALTORS
INSTITUTE OF FARM BROKERS

CODE OF ETHICS

OF THE

NATIONAL ASSOCIATION OF REAL ESTATE BOARDS

Preamble

Under all is the land. Upon its wise utilization and widely allocated ownership depend the survival and growth of free institutions and of our civilization. The Realtor is the instrumentality through which the land resource of the nation reaches its highest use and through which land ownership attains its widest distribution. He is a creator of homes, a builder of cities, a developer of industries and productive farms.

Such functions impose obligations beyond those of ordinary commerce; they impose grave social responsibility and a patriotic duty to which the Realtor should dedicate himself, and for which he should be diligent in preparing himself. The Realtor, therefore, is zealous to maintain and improve the standards of his calling and shares with his fellow-Realtors a common responsibility for its integrity and honor.

In the interpretation of his obligations, he can take no safer guide than that which has been handed down through twenty centuries, embodied in the Golden Rule:

"Whatsoever ye would that men should do unto you, do ye also unto them."

Accepting this standard as his own, every Realtor pledges himself to observe its spirit in all his dealings and to conduct his business in accordance with the following Code of Ethics adopted by the National Association of Real Estate Boards:

PART I.

Professional Relations

ARTICLE 1.

In the best interest of society, of his associates, and of his own business, the Realtor should be loyal to the real estate board of his community and active in its work; and he should willingly share with his fellow-members the lessons of his experience.

ARTICLE 2.

The Realtor should so conduct his business as to avoid controversies with his fellow-Realtors; but in the event of a controversy between Realtors who are members of the same real estate board, such controversy should be submitted for arbitration in accordance with the regulations of their board and not to a suit at law, and the decision in such arbitrations should be accepted as final and binding.

ARTICLE 3.

Controversies between Realtors who are not members of the same real estate board should be submitted for arbitration to an arbitration board consisting of one arbitrator chosen by each Realtor from a real estate board to which he belongs and of one other member, or a sufficient number of members to make an odd number, selected by the arbitrators thus chosen.

ARTICLE 4.

When a Realtor is charged with unethical practice, he should voluntarily place all pertinent facts before the proper tribunal of the real estate board of which he is a member, for investigation and judgment.

ARTICLE 5.

A Realtor should never publicly criticize a competitor; he should never express an opinion of a competitor's transaction unless requested to do so by one of the principals, and his opinion then should be rendered in accordance with strict professional courtesy and integrity.

ARTICLE 6.

A Realtor should never seek information about a competitor's transaction to use for the purpose of closing the transaction himself or diverting a customer to another property.

ARTICLE 7.

When a Realtor accepts a listing from another broker, the agency of the broker who offers the listing should be respected until it has expired and the property has come to the attention of the accepting Realtor from a different source, or until the owner, without solicitation, offers to list with the accepting Realtor; furthermore, such a listing should not be passed on to a third broker without the consent of the listing broker.

ARTICLE 8.

Negotiations concerning property which is listed with one Realtor exclusively should be carried on with the listing broker, not with the owner.

ARTICLE 9.

The schedules of fees established by the various real estate boards are believed to represent fair compensation for services rendered in their communities and should be observed by every Realtor.

ARTICLE 10.

A Realtor should not solicit the services of any employee in the organization of a fellow-Realtor without the knowledge of the employer.

ARTICLE 11.

No sign should ever be placed on any property by a Realtor without the consent of the owner.

PART II.

Relations to Clients

ARTICLE 12.

In justice to those who place their interests in his hands, the Realtor should endeavor always to be informed regarding the law, proposed legislation and other essential facts and public policies which affect those interests.

ARTICLE 13.

In accepting the agency for property, the Realtor pledges himself to be fair to purchaser or tenant, as well as to the owner whom he represents and whose interests he should protect and promote as he would his own.

ARTICLE 14.

A Realtor should not buy for himself property listed with him, nor should he acquire any interest therein, without first making his true position clearly known to the listing owner.

ARTICLE 15.

When asked for an appraisal of real property or an opinion on a real estate problem, the Realtor should never give an unconsidered answer; his counsel constitutes a professional service which he should render in writing over his signature and only after having ascertained and weighed the facts, for which he should make a fair charge. The Realtor should not undertake to give an appraisal on any property in which he is in any

way interested whatsoever, unless such interest is specially disclosed in the appraisal report, and under no circumstances should he undertake to give an appraisal or opinion when his employment is contingent upon the amount of his appraisal or the character of his opinion.

ARTICLE 16.

The Realtor should encourage the naming of the actual or an obviously nominal consideration in a deed.

ARTICLE 17.

When acting as agent in the management of property, a Realtor should not accept any commission, rebate, or profit on expenditures made for the owner, without his full knowledge and consent.

ARTICLE 18.

The exclusive listing of property should be urged and practiced by a Realtor as a means of eliminating misunderstanding and dissensions and assuring better service to the owner.

ARTICLE 19.

The acceptance by a Realtor of an exclusive listing imposes the obligation of rendering skilled and conscientious service; when a Realtor is unable to render such services either himself or with the aid of his fellow-Realtors, he should not accept the listing.

ARTICLE 20.

Before offering a property listed with him by the owner, it is the Realtor's duty to advise the owner honestly and intelligently regarding its fair market value.

PART III.

Relations to Customers and the Public

ARTICLE 21.

It is the duty of every Realtor to protect the public against fraud, misrepresentation or unethical practices in connection with real estate transactions.

ARTICLE 22.

Property should be offered by a Realtor solely on its merit without exaggeration, concealment or any form of deception or misleading representation.

ARTICLE 23.

It is the duty of a Realtor to ascertain all pertinent facts concerning every property for which he accepts the agency, so that in offering the property he may avoid error, exaggeration and misrepresentation.

ARTICLE 24.

A Realtor should never offer a property without the authorization of the owner.

ARTICLE 25.

The price at which a Realtor offers a property should not be higher than that which the owner has openly agreed to take.

ARTICLE 26.

Before a Realtor buys for a client property in the ownership of which the Realtor has an interest he should disclose his interest to all parties to the transaction.

ARTICLE 27.

Before a Realtor sells property in the ownership of which he is interested, he should make it clear to the purchaser that he is acting solely for the owner.

ARTICLE 28.

A Realtor when acting as a broker should make it clear for which party he is acting, and he should not receive compensation from more than one party except with the full knowledge and consent of all parties to the transaction.

ARTICLE 29.

Under no circumstances should a Realtor permit any property in his charge to be used for illegal or immoral purposes.

ARTICLE 30.

In closing transactions, the Realtor should advise the use of legal counsel when the interest of any party to the transaction appears to require it; and in all cases he should exercise care in the preparation of documents so that they shall embody the exact agreements reached.

ARTICLE 31.

At the time the agreement is reached as to the terms of a transaction the Realtor should fully inform each party regarding commissions and other expenses to which each is respectively liable.

ARTICLE 32.

Before the closing of a transaction, the Realtor should recommend the examination of title and conveyancing papers.

ARTICLE 33.

All contracts and agreements to which a Realtor is a party should be made in writing and should be complete and exact.

ARTICLE 34.

A Realtor should never be instrumental in introducing into a neighborhood a character of property or occupancy, members of any race or nationality or any individuals whose presence will clearly be detrimental to property values in that neighborhood.

ARTICLE 35.

No instructions nor inducements from any client or customer relieve the Realtor from his responsibility strictly to observe this Code of Ethics.

ADDENDA

1.

Suggestions to the Public

(The following suggestions are made, not as a part of this Code of Ethics, but to indicate to the public how they can co-operate with Realtors so as to secure the best service.)

- (1) Your relationship with a real estate broker should be considered confidential; it is unfair to a broker for you to quote to others the terms and properties which he has offered you in confidence.
- (2) Competent counsel in connection with real estate transactions is valuable and proceeds from years of training and study; it should not be expected gratis.
- (3) By retaining the services of a single broker and placing your confidence in him, you enable him to render you more intelligent and satisfactory service.
- (4) Do not injure your property nor your broker's chances of serving you by quoting one price to the broker and another to a prospective purchaser.
- (5) Do not list your property unless you are willing and ready to sell it.

(6) When you ask a Realtor for an opinion, you should expect it to be rendered in accordance with his best judgment, unbiased by your personal preferences.

11.

The term *client* is used in this Code to denote one who retains a Realtor to represent his interests in real estate matters.

The term *customer* is used to denote one who transacts business with a Realtor but does not retain his services.

III.

The By-Laws of the National Association of Real Estate Boards contain the following provisions:

Article III.

"Section 1. Each member Board shall adopt the Code of Ethics of the National Association as a part of its rules and regulations for violation of which disciplinary action may be taken.

"Section 2. Any Member Board which shall neglect or refuse to maintain and enforce the Code of Ethics with respect to the business activities of its constituent members may, after due notice and opportunity for hearing, be expelled from membership in the National Association by the Board of Directors."

REALTOR, THE STERLING OF REAL ESTATE

"REALTOR" Its Meaning and Use

WHO IS A REALTOR? A REALTOR is a person engaged in the real estate business who is an "Active" member of a Real Estate Board affiliated with the National Association of Real Estate Boards. As a REALTOR he is subject to the rules and regulations of the National Association and of his local Board, he must observe their standards of conduct, and he is entitled to such benefits as may accrue through his membership.

The term REALTOR is not a synonym for "real estate agent." It is the distinctive and exclusive designation for those within the membership of the National Association of Real Estate Boards. The term definitely connotes business competence and high standards of business conduct. Every REALTOR has pledged that he will observe and abide by the Code of Ethics promulgated by the National Association and the standard of business practices adopted by his own Board. He has demonstrated that he is of good business character and that he is capable of properly caring for real estate matters entrusted to him.

HOW IS THE TERM USED? Members in the "Active" classifications of constituent member Boards of the National Association may be designed as REALTORS and may use the term in connection with their business. Such members may use the term only so long as they remain Active members of a Member Board.

The term may be used in the plural following the name of a firm, corporation or partnership, provided one or more of the officers or partners holds Active membership in a constituent Member Board, or provided the firm, corporation or partnership itself holds membership in a constituent Member Board permitting such memberships, and is represented therein by one or more of its principals, officers or partners.

The term cannot be used as a part of a name, corporate or otherwise, of any firm, corporation, partnership or other organization, but may be used in the plural, following the name thus:

Jones & Smith, Realtors Robinson Real Estate Company, Realtors The Brown Real Estate Agency, Inc., Realtors.

shall be responsible for the proper use of the term REALTOR within its jurisdiction and shall have sole authority to approve the use of the term within that jurisdiction, provided that the Board shall designate as REALTORS only members in its Active classifications engaged in the real estate business. Persons or organizations not engaged in the real estate business, regardless of class of membership, shall not be authorized to use the term REALTOR. If a REALTOR wishes to use the term personally or in connection with real estate activities within the jurisdiction of a Member Board with which he is not affiliated, he must first obtain the written permission of that Board.

TRADEMARK. The REALTOR design has been registered as the trademark of the National Association of Real Estate Boards. The design may be used only by the National Association, its constituent Member Boards and Realtors.

FEDERAL STAMP TAXES

Conveyances: Deed, instrument, or writing (unless deposited in escrow before April 1, 1932), whereby any lands, tenements, or other realty sold shall be granted, assigned, transferred, or otherwise conveyed to, or vested in, the purchaser or purchasers, or any other person or persons, by his, her, or their direction, when the consideration or value of the interest or property conveyed, exclusive of the value of any lien or encumbrance remaining thereon at the time of sale, exceeds \$100 and does not exceed \$500, 55 cents; and for each additional \$500 or fractional part thereof, 55 cents. This section shall not apply to any instrument or writing given to secure a debt.

"Corporation" as used includes associations, joint stock companies and insurance companies.

Bonds, debentures or certificates of indebtedness issued by a corporation, and all instruments issued by a corporation with interest coupons or in registered form, known generally as "corporate securities," on each \$100 of face value or fraction thereof, 11 cents. Each extension or renewal must be stamped the same as an original. Stamps must be affixed either to the bonds or to the indenture under which they are issued. If affixed to the indenture, the bonds must bear an appropriate legend. This is a tax on issue.

Bonds, etc., sales or transfers: On all sales, or agreements to sell, or memoranda of sales or deliveries of, or transfers of legal title to any of the instruments mentioned in the Act and of a kind the issue of which is taxable thereunder, whether made by any assignment in blank or by any delivery, or by any paper or agreement or memorandum or other evidence of transfer or sale (whether entitling the holder in any manner to the benefit of such instrument or not), on each \$100 of face value or fraction thereof, 5 cents.

Capital Stock—Original Issue. On each original issue of certificates of stock or of profits or of interest in property or accumulations by any corporation: (a) where stock has par or face value, 11 cents on each \$100 of face value or fraction thereof; and (b) where stock is without par or face value, 11 cents per share, but if the actual value of the non-par stock is more than \$100 per share the tax is 11 cents on each \$100 of actual value or fraction thereof, and if its actual value is less than \$100 per share the tax is 3 cents on each \$20 of actual value or fraction thereof. Where a certificate represents more than one share having par value the tax is computed on the total face value of the certificate. Where a certificate represents more than one share having no par value the rate of tax is determined by the actual value of each share and the amount of tax, computed at such rate, is measured by the actual value of the certificate.

The stamps are to be attached to the stock books and not to the certificates.

Capital Stock—Transfers. On all transfers of stock in any corporation:
(a) where stock has par or face value, 5 cents on each \$100 of face value or fraction thereof represented by the certificate; and (b) where stock is without par or face value, 5 cents per share. This tax applies to all sales, or agreements to sell, or memoranda of sales or deliveries of, or transfers of title to shares, certificates of stock or of profits or of interest, or rights. It does not apply to a deposit of certificates as collateral security for money loaned, to

loans of stock, or to deliveries to a broker for sale. It is advisable to consult the Regulations in unusual cases. When selling price, if any, is \$20 or more the above rate shall be 6 cents instead of 5 cents.

The stamps are to be placed on the certificate or on the agreement or memorandum of sale. A certificate assigned in blank must be accompanied by a memorandum of sale.

Stamp taxes on original issue are to be paid by the corporation issuing the bonds, stock, etc. Stamp taxes on transfers are to be paid by the transferor. Whoever *issues or accepts* any instrument, etc., without the full amount of tax thereon being duly paid is guilty of a misdemeanor and liable to a fine of not more than \$100 for each offense.

Stamps must be duly cancelled. The usual method is to write or stamp on them the initials of the user and the date. Three parallel incisions should be made lengthwise through a stamp of the value of 50 cents or more with a sharp instrument.

Make The Boston Globe Your FIRST Newspaper

.... For Real Estate ADVERTISING

Real estate agents, home builders and distributors of home-building materials know from experience that classified advertising in THE BOSTON GLOBE gets results. Because The Globe is the "first choice" of so many successful advertisers, it handled, during 1946, more classified ads than all other Boston newspapers combined. It also carried a million more lines than any other Boston newspaper!

Here's just one example of what we mean by "results"!

"A few months ago I decided to make a check of current trends . . . I did 'this by test ads which I ran simultaneously in your newspaper and in the other leading Boston newspaper for classified "real estate" ads. To tell which ad was pulling the best, I used different phone numbers for each paper.

"The Boston Globe, on the weeks that I checked, averaged better than two calls for every one that I received from the other paper.

"On March 7 and 9, on an ad for a '\$16,000 Melrose Cape Cod,' The Globe response was 17 calls. I did not get even one call from an identical simultaneous ad in the other paper.

Yours very truly,

(signed) William D. Bartlett"
